

Cutting

Battery-powered hydraulic cutting tools 18 V

ESG 105 RMCP Battery powered hydraulic cutting tool with remote control dia. 105 mm (Bosch-battery)

**NEXT
GENERATION**

- ▶ Remote control tool for safe distance when cutting
- ▶ Real end position detection that is unique worldwide
- ▶ For cutting copper and aluminum cables according to EN 60228 class 1 and 2, also with light steel armouring
- ▶ Display in German language
- ▶ All tool data in view thanks to display and Klauke Link® app

Characteristics

- Acoustic and visual notification on the remote control that the cut has been completed
- Very long range up to 70 m
- Convenient one-hand control via the remote control
- Closed head, rotatable
- Quick motor stop for high user safety
- Retraction stop for efficient operations
- Energy saving: the motor stops after the cut has been completed
- Always in view: charge status and service display
- All data can be easily read via Bluetooth

Suitable for

- Cu and Al cables even armoured cable

Technical data	
Head type	Guillotine closed
Cutting range	max. 105 mm dia, e.g. NYCWY 4 x 240 SM/120
Cutting time	2 s up to 13 s (depending on cable type)
Cutting force	120 kN
Charging time	36 min.
Weight incl. battery	10.5 kg
Ambient temperature	-10 °C up to +40 °C
Item	Part No.
Battery powered hydraulic cutting tool with remote control dia. 105 mm	ESG105RMCPCFB
Scope of supply	Part No.
Bosch battery 18 V / 5.0 Ah, Li-Ion	RALB2EU
Bosch quick charger for 18 V Li-Ion-batteries	LGLB1EU
Bluetooth remote control	BTC3
Accessories	Part No.
Bosch battery 18 V / 5,0 Ah, Li-Ion	RALB2EU
Bluetooth remote control	BTC3
